Dear Sir Robert:-

I am sorry to have been away when you called. I want to tell you how pleased we all were to have you come. It is very helpful to have representative Canadians like yourself come over and get the information about our forces overseas at first hand. Everything looks well in all the theatres of war. Perhaps the end is not far off.

Please remember me to Princess Patricia. Jim Brebner joins with kindest wishes for yourself.

Believe me
Sincerely yours
J Gibson

Sir John Gibson,

Hamilton.

Dear Sir:

In the absence of Sir Robert Falconer from the office I beg to acknowledge the receipt of your letter in regard to granting the degree of Bachelor of Music upon Mr. Walter Robinson in lieu of his practical work. I may say that his case will be considered by the Faculty of Music at its next meeting, and your letter with be submitted with others and I know will carry great weight.

Yours sincerely,

President's Secretary.

Honourable Sir John Gibson, K.C.M.G.,

Hamilton.

My dear Sir John:

Many thanks for your letter. Of course I think that the time for our visiting Hamilton in the interests of the War Memorial must be decided by you and other Hamilton friends. I will let Mr. Barr know about this so that the Committee may lay their plans accordingly and consult with you in the matter.

Yours sincerely,

President.
